## 1. Rules & Guidelines

### Team Formation:

1. Teams should consist of 6 members, with at least one female member.
2. All team members must be from the same college or institute, but they may belong to different departments or branches.
3. Each team must have a unique name that does not resemble the name of the institute or organization.
4. Teams should ideally be multidisciplinary and include members with skills in UI/UX design, frontend development, Android development, AI/ML development, strong communication, and problem-solving abilities.

**Note: Full 6 Members of the team, from** First-year students (freshers) are also permitted to form teams or members of any team for this year's Smart India Hackathon (SIH).

### Team and Project Details:

- **Problems for the hackathon are provided** by government ministries, departments, and industry partners.
- Team has to choose the **Problem Statement** only from smart india hackathon website
- Teams are encouraged to work on problems aligned with government priorities (e.g., Digital India, Make in India, Startup India).
- Each team has to work on one unique idea/project.
- Teams cannot make false or misleading statements about their solution.
- Team can submit three ideas on any three problem statements for the internal hackathon.
- Get the sample PPT from here: **Download : [Click Here](#)**
- Upload PPT, with Name like **(Team Name\_Domain PSID.PPT)** in the portal.
- The PPT must consist of only 6 pages.

### Guidelines for Team Leader

Kindly refer to the following guidelines:

- **Only Leaders Have Authority to Fill the Registration:** In the registration process, only the designated Team Leader has the responsibility and permission to complete the registration.
- **Ensure Team Members Are Not Part of Multiple Teams:** It's crucial to verify that none of the team members are simultaneously a member of more than one team. If such a violation is discovered, both teams will face disqualification from the competition.
- **Mandatory Female Participant:** Each team must include at least one female participant.
- **Fill All Member Details Properly, No Discrepancy Allowed:** When providing information about team members, it's essential to complete all the details accurately and without any discrepancies. No changes will be made afterwards

## **FAQs [Frequently Asked Questions]**

- ❖ **What is Tekathon 3.0 ?**
  - Tekathon 3.0 is the second iteration of the Internal Hackathon, a preliminary to the Smart India Hackathon.
- ❖ **Who can participate in the Tekathon 3.0?**
  - Students from different branches are allowed to form a team and participate but not from different colleges.
- ❖ **I am in my first year(Fresher). Can I participate?**
  - Yes, 1st year students are allowed in the team.
- ❖ **I am pursuing Distance/Part-Time Education and am currently employed as a working Professional, can I participate?**
  - No, the students should be pursuing and enrolled in a regular course.
- ❖ **What is the team size?**
  - 6 members and one female member(included) is compulsory.
- ❖ **Is one female mandatory for forming a team?**
  - Yes, without a female participant, the team cannot register, which may lead to disqualification.
- ❖ **Are students allowed to participate in more than one team?**
  - No, Participation through more than one team will lead to disqualification of all the teams consisting of that participant
- ❖ **How many problem statements a team works on?**
  - Total of three problem statements is allowed per team.
- ❖ **What is the convention regarding the name of the team?**
  - The name of the team should be unique and bear no resemblance to the Institution.
- ❖ **Is it compulsory to have a mentor for the team?**
  - Yes, It is compulsory for each team to have a mentor in SIH 2024 . For Internal Hackathon it is not Compulsory.
- ❖ **How many teams will qualify for Round 2 of the Internal Hackathon?**
  - The team selection process entirely depends on the evaluator. If the evaluator feels that no team should proceed in a particular domain, then no team will be selected from that domain. Similarly, if the evaluator believes that there are strong ideas in a specific domain, those will be considered.
- ❖ **How many Teams will be nominated for SIH 2024 ?**
  - As per ministry, only 25 teams will be shortlisted and 5 will be on the waitlist.
